

IN THE MATTER OF: \_\_\_\_\_ )  
 \_\_\_\_\_ )  
 \_\_\_\_\_ )  
 Proposed Issuance of a Construction Permit/ )  
 Prevention of Significant Deterioration Approval )  
 for City Water, Light and Power, )  
 Springfield, Illinois )

A public hearing regarding the above captioned matter was held March 22, 2006, in Springfield, Illinois. This matter had been set to receive written comments until the Closure of the Record on April 21, 2006. However, members of the public expressed significant interest in extending the written public comment period to review the modeling employed by City Water, Light and Power (CWLP) in its Prevention of Significant Deterioration (PSD) permit application. This order is based on the fact that additional modeling has been submitted by CWLP to the Illinois EPA since the initiation of the public comment period. After due consideration, the Hearing Officer, pursuant to authority set forth at 35 Ill. Adm. Code Section 166.191, orders that the written public comment period be extended from April 21, 2006, to May 22, 2006. Any written comments must be postmarked by midnight, May 22, 2006.

Date: April 20, 2006
